

Dear Eunice,

Praise God. He answered your prayer for a Sponsor. You did not get one, but two sponsors. Linda and Dennis Gorman. We are also sponsoring Josephus Bobo. We will be sending both of you a pictures of us here in Tacoma, Washington.

Linda retired from teaching kindergarten – 2nd grade. She loved teaching school but not she loves teaching Sunday School. Linda is 65 years old and likes to sing songs to the Lord and dance. She loves spending quiet times with the Lord Jesus, praising Him for His goodness and pray for others. Her favorite color is green. She likes to eat bread. She loves the Bible and likes to read the book of Psalms and Revelation. Both books talk of God's mighty acts. A favorite thing to do early morning or late at night, is go for a walk and think on God's Word.

Dennis is a retired Engineer. He worked on spaceships and rocket engines. He is always helping people. He can fix most anything. He smiles a lot and loves to tell people about Jesus. He doesn't have a favorite color but does wear blue often. He likes to eat treats like popcorn and chocolate. He exercises a lot and has lots of muscles. He uses his strength when he helps people. He loves to read and study the Bible first thing every day. He likes to sing about Jesus.

We are praying for your safety during this difficult time with the Ebola outbreak. We are helping to send food to all you dear children. We know Pastor Ed Kofi. Our church has been sending a doctor, a nurse and a church team to Liberia every year, but not this year, because of the Ebola problem. Our Pastor is Pastor Bruce. You might know him.

Our verse for you is:

Psalm 27:1

The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?
